Bellingham Human Services Program - Summer 2022

Changes to this schedule may occur without notice. The official university schedule (Classfinder) will always take precedence. All courses are offered subject to space availability and other admission requirements. All program locations follow the University official first-day-of-class schedule.

6-week classes begin June 21, 2022, and end on July 29, 2022.
9-week classes begin June 21, 2022, and end on August 19, 2022.

Summer registration begins on May 3, 2022.

Important dates and deadlines: Important Dates & Deadlines | Registrar’s Office | Western Washington University (wwu.edu)

The courses below are cross-listed among Bellingham, Distance Learning, & Everett, and are delivered online in Canvas.

* HSP 430 can be taken twice to a maximum of 10 credits. S/U grading.

** HSP 371 – repeatable to 20 credits with different topics.

Lifespan Human Development: Theories and Processes
This course will examine human development across the lifespan, with a focus on issues that are relevant to providing effective provision of human services. Topics examine theories related to physical, cognitive, social, and emotional development, normative and non-normative developmental processes.
