* Or other courses agreed through advisor

Prerequisites

- IT 344 prerequisite to IT 443.
- Check prerequisites for SPED courses. Most SPED courses can be taken AFTER the following: SPED 420; SPED 440 or 442; AND SPED 460.

*Students transferring into the Exceptionality and Disability, BAE, upon the recommendation of their advisor, may substitute SPED 466 for SPED 464 and SPED 465; and take 2 to 4 credits of 441 with a focus upon Law and Special Education. If SPED 441 is taken for this purpose, SPED 441 does not count as a course that meets the 14 credit requirement from the courses above.

#GUR courses are not counted for credits toward the degree. However, space in the program has been provided for up to two courses to complete GUR requirements or minor requirements.
