WWU Human Services Program – Everett - Winter 2024 Schedule

Changes to this schedule may occur without notice. The official university schedule will always take precedence. All courses are offered subject to space availability and other admission requirements. All courses are offered as scheduled plus as arranged to meet state minimum contact hour requirements. Contact your Program Coordinator for details.

All program locations follow the University official first-day-of class schedule.
Winter quarter begins on Tuesday, January 9, 2024, and ends on March 22, 2024.

Staff contact: Monica Holmer – hs.everett@wwu.edu – 425-405-1640.
Last Updated: 10/25/23

EUC=Everett University Center Building (915 N. Broadway, Everett WA)

* HSP 371 is repeatable to 15 credits with different topics.
**HSP 430 is repeatable twice to a maximum of 10 credits.

Asynchronous, online classes: each week the instructor will provide information and assignments to complete but there will **not** be a specific time each week that you will be meeting online together via Zoom.

Course Description: Human-Centered Design prioritizes equity and empathy to create meaningful solutions rooted in people's actual needs. Throughout this class you will explore key Human-Centered Design principles and practices to generate solutions to real-world issues. This creative approach to problem-solving will challenge you to engage with the world around you, test your ideas, and ultimately create innovative and exciting solutions.
