Gaining experience working with youth in an educational setting, with preference to public secondary schools, is experience we look for in an application.

Some courses may help you gain experience, such as C2C (Compass to Campus program). We hope to provide a list of other courses in the future.

Local schools to seek volunteer experience in the classroom or with afterschool programs are listed below. If you do not live in the Bellingham area, check with your local school districts for middle and high school contacts.

**Shuksan Middle School**
(360) 676-6454 / peggy.foster@bellinghamschools.org
After School Contact: Sean.flikke@bellinghamschool.org
