If you are a student interested in applying to a Special Education program, **DO NOT** access the application from this link. There is a lot to know and to do before you apply. Go to the **Interested Students** link in the sidebar at the left on the **Special Education Homepage**. It will give you lots of important information that you need BEFORE you apply.

If you are faculty or just need quick access to the Special Education Applications they are linked below. Interested students, please see above!

- **Special Education & Elementary Education or Special Education Early Childhood and Early Childhood Education**
- **Special Education plus Content Endorsement**
- **Exceptionality and Disability Degree - non-certification program**
