Welcome

- We are so glad you are here!
- Take a minute to introduce yourself.
Mission

- Construct, transform, and convey knowledge by integrating research, theory, and practice;

- Cultivate student growth through extensive community and school engagement in collaboration with exemplary practicing professionals;

- Act with respect for individual differences, including taking a strengths-based view;

- Develop collaborative partnerships that promote the learning and well-being of individuals, families, and the community; and

- Evaluate processes and outcomes to ensure continual program improvements.
Vision

The vision of Woodring College of Education frames our future.

Woodring College of Education fosters community relationships and a culture of learning that advance knowledge, honor diversities, and promote social justice.
We welcome students in our programs with disabilities. You have the right to reasonable accommodations. If you have a disability follow the process outlined in your handbook.

- Contact Disability Rights Services to schedule an appointment
- Identify your instructors. For your benefit, be aware that many courses are co-taught and all instructors for block courses should be identified.
- Send out letter with requested accommodations
- Set up an appointment with EACH instructor at the very beginning of the quarter to review list of accommodations
- If your schedule includes a practicum, then advise the chair of the department by the second week of the quarter prior to the practicum.
- Accommodations for practica are NOT the same for classroom

    E-ATRC Directions and Rubric
Plan of Study

- Each program has its own plan of study.
  - SPED + Elementary
  - SPED + Content
  - Exceptionality and Disability, BAE
  - Early Childhood Special Education + Early Childhood Education

- Do NOT deviate from the plan unless ABSOLUTELY necessary.

- Follows a modified cohort model. ANY changes must go through your advisor and requires an advisor signature.
Course Scheduling

- Course sequence is set up for most efficient time to degree and SPED courses build upon each other as much as possible. Follow your plan of study.

- Courses without SPED prefixes should be taken in order according to the plan of study.

- It is ultimately the responsibility of the student to ensure that courses fit and are taken at the appropriate time.

- We have no control over the scheduling of courses originating from other departments

- If for some reason, you need to retake a course, this may impact your program sequence and may increase time to degree.

- Students MUST meet with their advisors each quarter!
Summer Courses

- Limited offering of SPED courses during the summer
- Other courses outside SPED (e.g., Math, Art, Music, IT 443) do offer summer courses at times. (This is not a guarantee)
- If you decide to take a summer course, check with Financial Aid first. Some students can get financial aid for summer, and some do not qualify for it.
- Some GURs may be taken at a community college during the summer. Please make sure they will transfer.
Program Requirements

- Professional dispositions and communications are important.

- Certification programs require a 2.75 GPA or above. E & D, BAE is 2.50 GPA - if GPA drops first time petition, second time- must reapply (No guarantees)

- On occasion, students need to retake a course
  - Opportunities to retake a course are on a space available basis - Students may retake a course only once
  - Check university catalogue for other qualifying conditions and deadlines
  - Retaking a course may impact time to degree.
Additional Program Requirements

- Variety of field placements
- Commitment to lifelong learning – professional opportunities. (Some are required)
- AT E-Portfolio
- Pathway to Equity and Inclusion
- Successful Completion of All Program Assessments
SPED 441

- Course for special projects, research, other opportunities
- Course that has a particular professional focus – guest speakers from the community (Some professional opportunities are required)
- Course that is available if one is needed for additional credits for financial aid
- Repeatable for up to 10 credits (1 to 5)
- You are required to participate in a professional development activity once per each quarter. You may receive credit for this activity by signing up for 1 credit of SPED 441. Registering for this class your first quarter is HIGHLY RECOMMENDED.
New admits request a course override from Ms. Gramm

Register for 1 – credit, unless specifically told otherwise

Special Education Program – Learning Activities Agreement.

Fill out the form and give it back to Debbie Gramm

You will be notified of options of departmental approved professional development activities via the SPED listserve. If you would like to do something different, than you will need your advisor’s approval.
Field Work

- Field work includes practicum, internships, service learning
  - Most plans of study have some kind of field experience associated each quarter. So you need to plan your life activities around field work. The more experience you have the better teacher or service provider you will be.
  - Number of hours for field work per credit is determined by the university – 3 credit course is approximately 90 hours of combination (e.g., instruction, preparation, writing papers, teaching)
  - Time for field work does not include driving time.
Field Work

- SPED 310 – Middle School (Quarter 1)
- SPED 440 – General Education, Inclusion (Quarter 2)
- SPED 474/476 – Continuum of Placement (Quarter 4)
- SPED 480 – Reading Practicum (Quarter 5)
- SPED 472/477 – ABA Project (Quarter 6)
- SPED 469 – Complex Needs II, SCED 490 – Science (Quarter 7)
- SPED 489 – Final Block (Quarter 8)
Internships

- SPED 498, 494, and 495 – Internships (1 – 16 credits, depending upon program)

- Degree is earned and the program is completed when all relevant internships have been completed.

- Special Education internships in Whatcom and Skagit counties.

- Elementary internships (SPED 494) may be completed in other areas and even oversees. This is on a petition basis.
Logs are required and attached to specific courses. It verifies time in placements and types of activities engaged in field experience.

Video for support
All programs are field based and provide multiple opportunities for learning as you apply skills and knowledge in context.

- Plan time in your life activities.
- Many courses that do NOT have SPED prefixes also REQUIRE field experiences.

It is absolutely imperative that you stay current on clearances. You will not be allowed to participate in the field experiences in tandem with your courses unless you are up-to-date.

**You will NOT be allowed to register without clearances valid THROUGHOUT the quarter.**
Professional Training Program

- Different expectations from other types of university programs and courses
- Content and practical experiences are governed by state and national accreditation bodies
- Certain standards have to be met, and these standards are assessed through multiple measures
- Your professional organization is Council for Exceptional Children (CEC)
Professional Dispositions

- Social Media
- E-Mail

- Emails and other correspondence with WWU faculty and staff, as well as service learning site or practicum coordinators. Emails should include the appropriate salutation (e.g., Professor, Dr.) and the name of the individual to whom you are writing. Do not begin emails with “Hey.”
Professional Dispositions

- Phone Use

- Phone use in class and in the field. Do not pull your phone out in the WWU classroom or in the field classroom unless it is an emergency. Doing so tells your peers and your supervisors or faculty/staff that the current context is not important to you.
Professional Dispositions

- Positivity

- Disposition in the classroom and in the field (e.g., service learning or practicum). Your disposition should be positive.
Assignment Submission

Assignment submission. Assignments with multiple errors are unprofessional, as are work documents that you submit for your education or related services field (e.g., IEP). It is expected that all work is proofread prior to submission and that you save the file with your last name and assignment title: CoulterReflection1
Professional Disposition

- Computer Use

- Computer use in class. The standard across the program is that computers and the internet are not to be accessed during class time UNLESS directed by the faculty. Check with individual faculty as to whether you may have computers available in class.
Act Like a Professional

- Stay organized
- Be proactive
- Show up for class/practicum on time (No more than 20% absent)
- Find out the instructors policy for use of electronics in classes
- Dress and act like a teacher
- Approach all others with respect and positivity
- Clean-up your virtual life (Facebook, You Tube, Voice Mail)
When to see your advisor

- **See your advisor every quarter!**
- See your advisor to discuss future plans and possibilities
- See your advisor if you are having difficulty in a course and need help
- See your advisor to arrange for additional support to complete your program (e.g., writing, math, tutoring)
- See your advisor if you have a life event that is hindering your progress through the program
- Follow your plan of study!
When to see the Chair

- Please see the chair
  - When you cannot reach your advisor
  - If and when you have difficulty in a class AFTER you have spoken with course instructor
  - If you have difficulty with scheduling and need to deviate from your plan of study
  - If you need a sympathetic ear and to problem solve
  - If you want to share good news and victories
State Assessments for Licensure

- WEST-B (or ACT/SAT, Required for entry to Certification Programs)
- WEST- E and NES (Special Education; Endorsement Content Tests - ELED 2 tests, Secondary 1 test in Content Area for certification) (To be taken before internships)
- EdTPA (All Certification Candidates – End of Program in your 1st internship)
Program Signature Assessments

- Council for Exceptional Children National Program Recognition (CEC)

- Assessments/projects linked to programs that must be passed in order to continue – 8 assessments (e.g., Decodable Book, Field Experience Essay, IEP).

Name: ___________________________  Date: ___________________________

W#: ___________________________  # Number Correct: ____________

Think about how many quarters you have been in your program, including this quarter? (Circle the number below. Do not count summer quarters)

# Number Attempted: ____________

I have been in my program for _______ quarters. 1 2 3 4 5 6 7 8

In which course (e.g., SPED 483; SPED 474) are you taking this test? ____________

Directions:

There are ten pages with 100 items. There are ten definitions and ten terms that match those definitions on each page. You are NOT expected to complete all items. Work as quickly as possible. If you don’t know the answer, take a guess or skip it. Try to get as many items completed as possible. If you get stuck on one page, move on to another page. You have ten minutes to complete as many items as you can. Begin when the instructor starts timing.
What You Should Do

- Check out University catalog for policies and services (e.g., Students with Special Needs, Sexual Harassment, Counseling Services, Health and Wellness Services, etc.)

- Keep course materials, books, assignments, syllabi (Container for each quarter)

- Eat, drink lots of WATER, sleep, take care of yourself.

- Sign up for listserv immediately. (See the Handout)

- Have a GREAT time in your program, with kids, out in the field, with your colleagues!
Thank You

- Thank you for your kind attention

- Your advisors and the department chair are always available to you, and I encourage you to come by and visit.

- We wish you the very best in your course of study and your goal of being the best teacher and/or professional you can possibly be!

- This Power Point will be available on the homepage in case you need to refer to it.

- Take time to read and sign professionalism document and photo release. Turn in on your way out.
