This 61-64-credit program is designed for practicing teachers who hold an endorsable Washington State Teaching Certificate and wish to obtain an additional endorsement in elementary education. The program provides coherent preparation in all areas of the elementary education curriculum. Successful completion of the program leads to recommendation to the Office of Superintendent of Public Instruction for the K-8 Elementary Endorsement.

### Admissions & Retention

- Washington state teaching certificate
- Cumulative grade point average of 2.75 or higher overall or for the last 45 quarter credits or 30 semester credits.

Retention in the program requires continuous demonstration of competence in standard oral and written English in all coursework. Retention also requires maintenance of a 2.75 quarterly GPA for each quarter after admission. The State of Washington requires students to earn a "C" or better in all major endorsement and most education courses.
