Online Discussion regarding next year’s TA distribution:

Email from Beth:
One thing that we needed to talk about before the end of the quarter was TA assignments. I think we have 2 options (but please add more if you think there are more).
1) The easiest (and what we have done for the past few years) is to recommend the same distribution of TA positions as last year
2) We could open up an email conversation – or schedule a phone conversation – to change the distribution of our 8 positions.

Please let me know which option you prefer.

Motion to accept option 1: Joseph Hunter
2nd: Lauren McClanahan
Motion Passed

The graduate committee will recommend to the Chairs and directors Council that TA distribution remain the same next year as this year.
