

Woodring College of Education

BAE, Education for Inclusive Environments

Bremerton
Campus

Be a teacher: It is possible, and YOU are wanted!

You understand youth who come from our community.

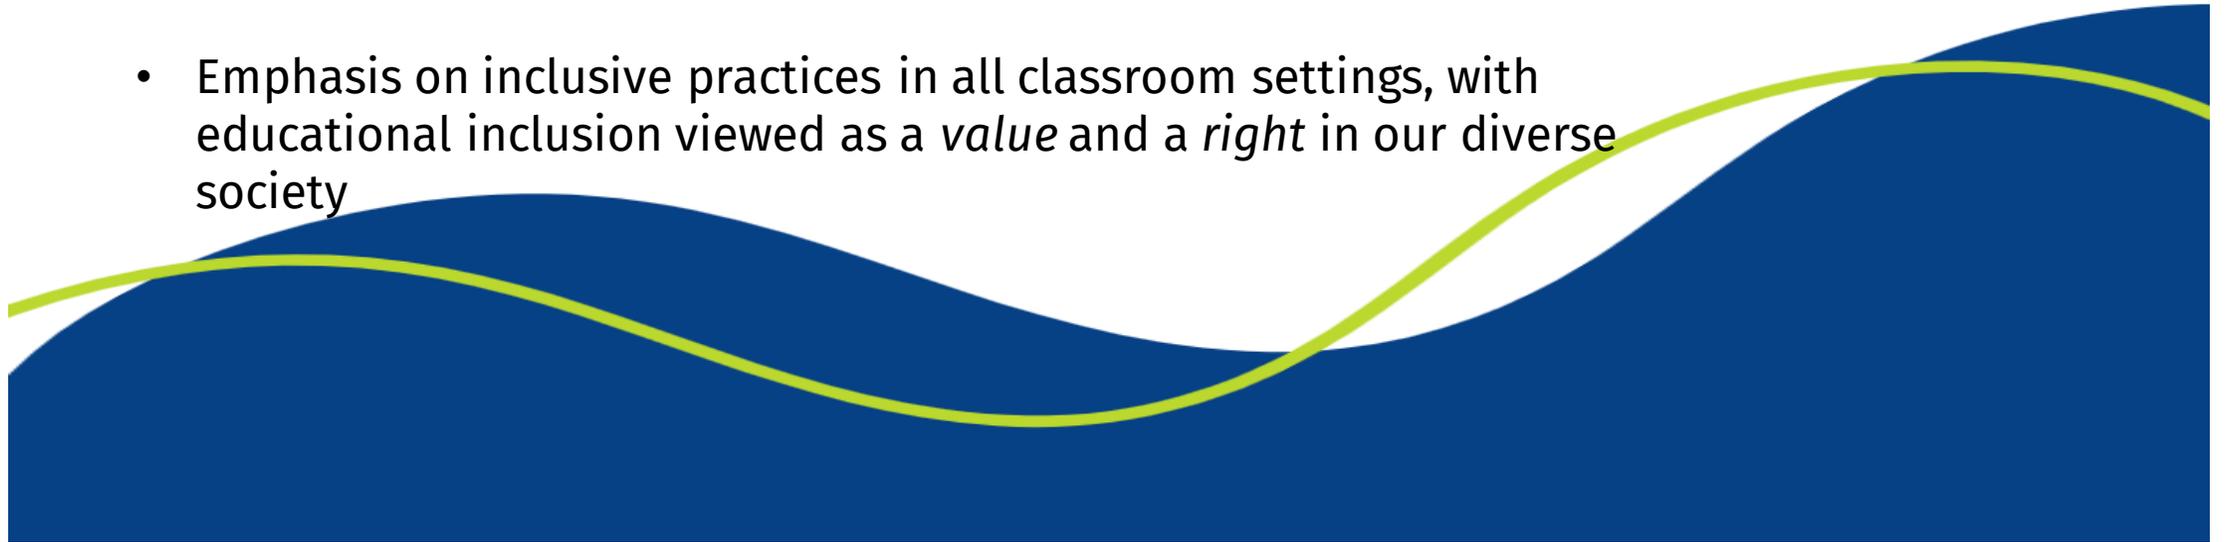

What you learn in our program opens doors to just about anywhere – highly sought graduates with dual-licensure in high-need areas.

Join people who want to make a difference in the lives of youth and children.

Inclusive education involves valuing and facilitating full participation and belonging of everyone in all aspects of our education communities and systems.

Education for Inclusive Environments (EIE) Major

- Accelerated 7 quarter dual-certification program
- Earn a Bachelor of Arts in Education + 2 endorsements: Special Education (P-12) & Elementary Education (K-8) (BAE SPED-only option also available)

What EIE Graduates Say

- School districts prioritize Western graduates over other programs
- Well prepared to teach
- Can continue to work because of course scheduling
- Great value in terms of time/certification earned

Contact Us with Questions!

Keep in mind:

- College and University websites can be confusing - - it isn't you.
- We want to be contacted by people who want to become teachers, so don't hesitate to stop by Bldg 11 @Olympic College, 1600 Chester Avenue, Bremerton 98337
Email: Michael White @ whitem20@wwu.edu Call: 360-650-2568
- Your questions are *never* a bother to us!
